Please note: The CHMM exam can no longer be offered in conjunction with this review course because the CHMM exam is now offered only at designated computer-based testing locations across the country. To sit for an upcoming CHMM exam, you submit an application, along with the applicable fees, to the Institute of Hazardous Materials Managers (IHMM) (<http://www.ihmm.org>) prior to the exam. For more details, visit the IHMM Examination and Overview Course Schedule (www.ihmm.org/dspApplicantArea.cfm)

Cancellation/Refund Policy: If you cannot attend the overview course, please notify us by February 17, 2010 and we will refund the review course fee. Cancellations received later than February 17, 2010 but before the course begins are subject to a \$75 late cancellation fee.

No refunds will be made within 7 days of course commencement.

Directions to the Health Sciences Building, Shelby Campus:

From 280:

Go west on Valleydale about 4 miles and the campus is on your right-hand side.

To get to the Health Sciences Building, you will turn right at the blue Spain Park High School sign and the building is on the corner, the first building you see with the big columns in front. There is a small Health Science Building sign at the front and rear of the building and a large Jefferson State sign out front (but you cannot see it well from Valleydale).

From I-65:

Take the Valleydale exit and go east about 4 miles. You will go straight through the intersection at Caldwell Mill and the campus will be a few blocks down on your left.

To get to the Health Sciences Building, you will *pass by* the entrance that says “Jefferson State Community College” and turn left at the blue Spain Park High School sign. The building is on the corner, the first building you see with the big columns in front. There is a small Health Science Building sign at the front and rear of the building and a large Jefferson State sign out front (but you cannot see well from Valleydale).
